Supreme HD

The Prism Supreme Heavy Duty ™ Cushion was designed for users weighing up to 500 lbs and requiring high positioning support. The anatomically designed, firm polyurethane layer, with its aggressive leg troughs and abductor contouring provides superior pelvic stability and leg positioning. A base layer of pressure relieving visco-elastic foam under the IT's (Ischial Tuberosity), allows for excellent immersion for bony prominences.

Product Highlights

- High density, contour cut layered foam for a consistent, long lasting product
- Cane cut in rear to allow for correct placement in wheelchair and proper seat depth
- Radius cut to match shape of back upholstery
- Layer of visco foam along the bottom for further pressure relief under IT's (Ischial Tuberosity)
- Supreme pressure relief
- 4-way stretch, water resistant inner liner
- 4-way stretch, breathable outer cover

Product Weight: 7 lbs
User Weight: 500 lbs
Warranty: Two (2) years limited on cushion and 90 days on the cover.

Best Used For:

Adv. Weight Distribution
500 LBS +
Extended Length Use
Adv. Positioning Needs
Adv. Immersion & Resilience
Adv. Pelvic Stability
