Medcare Walking Sling

MEDCARE® PRODUCTS

With the use of a ceiling lift, the Medcare Walking Sling assists caregivers with standing and ambulating patients. The unique leg harness design provides the patient with comfortable support around the waist and legs. The waist and leg harnesses are interchangeable, providing a custom fit.

Item Number:

402510: Small Walking Sling
402511: Medium Walking Sling
402512: Large Walking Sling
402513: X-Large Walking Sling
402514: XX-Large Walking Sling
402515: Bariatric Walking Sling

Medcare Slings Contain Antimicrobial Protection:

Antimicrobial protection works 24/7 for an added level of cleanliness protection and inhibits growth of microbes such as bacteria, mold, and mildew that can cause stains, odors, and product deterioration on slings.

Size/Strap Color	Waist Size (Vest)	Leg Size (Strap)
