

Buzzaround
GB220

Pack your dreams and go on any adventure with the incredibly portable Buzzaround CarryOn® HD scooter! The ONLY lightweight travel scooter designed with the strength and power to accommodate up to a 400 lb. weight capacity. With a sporty blacked-out style, front and rear LED lighting, and optional color shrouds, this unique scooter not only looks great but offers excellent maneuverability and range. The CarryOn HD features a brushless motor for efficient operation, large wheels, impressive ground clearance, full sized seat, and a top speed of 4.29 mph making any destination possible. It offers ample foot and leg space, an adjustable tiller, and a large ergonomic seat for ultimate comfort while on the go. Enjoy long-range coverage up to 22 miles on the airline-friendly 12.5 AH and spare 6.5 AH lithium-ion batteries, which can be removed and taken as a carry-on while traveling by air, sea, or train. The heaviest piece is only 52.5 lbs. (without seat and battery) and the height when folded is less than 14" for storage where space is limited. A kickstand with a rear basket allows for vertical storage and serves as spare battery holder. Carry on with life using the CarryOn HD scooter!
