
PCP®
Personal Care Products
Helping you maintain your
freedom and independence!

COMMITTED TO BEING YOUR PARTNER FOR HOME MEDICAL EQUIPMENT AND ACCESSORIES

PCP is one of the most well-established and major categories under the SAI Therapeutic Brands umbrella, offering a sensible mix of products for home convalescence, and to help restore individuals to an active, independent lifestyle.

And PCP product designs blend with home decor – very appealing for today's care-giver shopper.

PCP PRODUCT SEGMENTS INCLUDE:

PCP BATH SAFETY – provides the assurance of a safe environment with an excellent offering of in-home use benches, grab bars, rails, single and 3-in-1 frames, elevated seats, and accessories. Many bath items are portable for added safety while traveling.

PCP HOME CARE – delivers support and convenience during home convalescence with a value-oriented, basic assortment of bed rails, accessories and commodes.

PCP PERSONAL CARE – offers therapeutic support surfaces and daily living supplies such as cushions, cast shoes, pillows, reachers, home traction, simple rehab equipment and hot/cold therapy.

PCP MOBILITY – offers the power of independence with a best-mix assortment of canes, crutches, walkers, rollators and accessories

VALUE

You don't have to pay more to get the very best! High quality and affordability are synonymous with PCP products - a real plus in today's competitive market.

CONSISTENCY

In design and quality - with few exceptions you buy direct from the original manufacturer, which ensures consistent product quality from order to order.

SIGNATURE CUSTOMER SERVICE

95% of all orders are shipped with 24 hours of receipt, with a 99% accuracy rate - you receive what you want, when you want!

NO MINIMUMS

No minimum order restrictions!

WARRANTY

PCP Homecare products are warranted to be free of material or workmanship defects. Problematic merchandise will be repaired or replaced.

FULL LINE SUPPLIER 1 STOP SHOP

Virtually every imaginable client need can be satisfied from the SAI Brands program! Literally the best mix of motion control, support, safety convenience and mobility products, all from one source of supply!

DEDICATED SALES/ SERVICE ASSOCIATES

Fully trained professionals will personally visit your facility on a regular basis to assist in managing various aspects of your business.

PRACTITIONER AND PATIENT FOCUSED

The SAI Therapeutic Brands program is built on the best mix of products that are designed and engineered for therapeutic performance and patient comfort – and specifically targeted to meet the needs of the everyday consumer and the occupational injury user.

Dynamic contemporary packaging educates and sells, creating a bold retail presence to help generate faster turns. Innovative packaging design features help create planograms that are easy to shop and easy to merchandise.

PCP CONSIDERS YOUR MERCHANDISING NEEDS!

PCP packaging is designed to be displayed in both landscape and portrait orientations to better serve your merchandising needs.

REACH EXTENDER WITH SUCTION CUPS

MODEL 6033

- Rounded clamps make it easy to grasp objects like cans, balls, bottles and cups without losing hold
- Soft rubber grip tips help pick up small items, paper cards, leaves and refuse
- Lightweight rigid aluminum shaft extends average reach by 30 inches (76 cm)
- Pistol grip handle with trigger control
- Optional suction cups attach to tips for enhanced control

PERSONAL CARE

FEMALE URINAL
MODEL 6088

- 28 oz. capacity
- Shaped to prevent accidental spillage
- Sure-grip handle hangs on bed rail for easy access
- Angled for use in several positions
- Easy to read calibrations for quick measurement

MALE URINAL
MODEL 6091

- 1 quart capacity
- Complete with hinged cover and sure-grip handle that hangs on bed rail
- Cap opens and closes easily; confines odors
- Shaped to prevent accidental spillage
- Easy to read calibrations for quick measurement

BED PAN
MODEL 6094

- 15" x 12" (38 x 30.5 cm)
- Hospital quality, generous capacity
- Contoured for comfort
- Easy grip handle on front and both sides
- Lightweight, easy to clean

FRACTURE PAN
MODEL 6095

- For someone recovering from a hip fracture or replacement surgery, or for those who cannot raise their hips high enough for a regular bed pan
- Easy grip handle on both front and sides
- Tapered front can be positioned without having to move patient
- Lightweight molded plastic, easy to clean

SITZ BATH
MODEL 5040

- Used for treatment of hemorrhoids and other causes of rectal discomfort
- Fits and works with any standard commode
- Easy to follow instructions on solution bag
- Comfortably contoured bowl cleans easily and stays looking bright
- Designed to provide treatment around wide area surrounding the entire perineal region

PRESSURE RELIEF MEDICAL OVERLAY

MODEL 350110

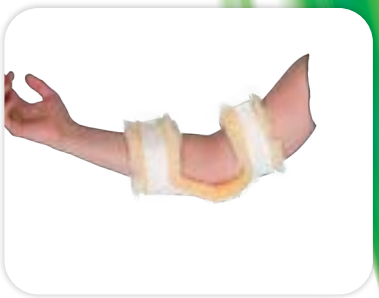

- Used to prevent decubitis ulcers (bed sores) resulting from prolonged periods of bed rest
- Made of genuine sheepskin
- Redistributes body weight to prevent decubitus ulcers
- Wicks moisture away from skin, keeping it cool and dry
- Maintains user's normal skin temperature
- Stain resistant, non-flammable, non-allergenic, non-toxic
- Remains cool in summer, warm in winter
- Machine washable and dryable

PRESSURE RELIEF PROTECTORS

MODELS:
350010 HEEL PROTECTORS
350011 ELBOW PROTECTORS

- Used to prevent decubitis ulcers (bed sores) resulting from prolonged periods of bed rest
- Made of genuine sheepskin
- Redistributes body weight to prevent decubitus ulcers
- Wicks moisture away from skin, keeping it cool and dry
- Maintains user's normal skin temperature
- Stain resistant, non-flammable, non-allergenic, non-toxic
- Remains cool in summer, warm in winter
- Machine washable and dryable

SYNTHETIC SHEEPSKIN

MODELS:
6261 – BED PAD, 24" X 30" (61 X 76 CM)
6262 – BED PAD, 30" X 40" (76 X 101.5 CM)
6263 – BED PAD, 30" X 60" (76 X 152.5 CM)
6264 – BED PAD, 60" X 80" (152.5 X 203 CM)
6266 – WHEELCHAIR PAD
646400 – BED PAD, 30" X 80" (76 X 203 CM)

- Provides many of the material benefits of genuine sheepskin but at a fraction of the cost
- Non flammable, non-allergenic, non-toxic – 94% polyester, 6% acrylic
- Can be cut to shape without unraveling
- Will not pack down
- Stays soft and thick through repeated use
- Cool in summer, warm in winter
- Machine wash and dry
- Stain resistant

EASY RISER SUPPORT RAIL

MODEL 6086

- Makes it easy to get in or out of a bed or seat
- Multiple grips allow use of both hands for leverage and optimum support
- Removable storage pouch with pockets for eyeglasses, tissues, phone, etc.
- Strong coated steel frame
- Quick and easy assembly with provided tool
- Wide non-skid, non-marring base of support
- Base 15" long x 20" wide (38.1 x 50.8 cm)
- Hand grip 32" high (81.28 cm)
- Weight capacity 250 lb

RING CUSHIONS

INFLATABLE RING CUSHION

MODEL 6230

- Relieves pressure and fatigue troubling anyone who is required by illness, injury or occupation to lie or sit in the same position over prolonged periods
- Can be used in leg elevation and as a backrest (against a straight back chair)
- In bed, use cushion under buttocks or knees to relieve pressure and tenderness resulting from friction with bed clothes

CONVOLUTED FOAM RING CUSHION

MODEL 6235

- Convoluted foam disperses surface pressure for greater sitting comfort, promotes good posture and fights pressure sores
- Open center helps ease pressure by distributing body weight evenly, reducing pressure point discomfort

FOAM RING CUSHION

MODELS:

6232-NV - 14" NAVY	6232-PL - 14" PLAID
6233-NV - 16" NAVY	6233-PL - 16" PLAID
6234-NV - 18" NAVY	6234-PL - 18" PLAID

- One piece puncture-proof molded foam conforms to the natural contours of the body and provides maximum comfort.
- Comes with a washable cover for easy maintenance.

TRAVEL RING CUSHION

MODEL 6237

- Folds compactly for travel or storage
- Reduces pressure on lower back and tailbone; comfortably conforms to body contours
- Ideal for use after childbirth, for hemorrhoid sufferers or for those with low back pain
- Removable and machine washable cover

MOLDED RING CUSHION

MODEL 6238

- Maximum relief and comfort – reduces strain on pressure points
- Non-slip bottom keeps cushion in correct position – will not shift or slide
- Made of 3" thick premium comfort foam – maintains its shape through repeated use
- Removable and machine washable cover

ORTHOPEDIC SEAT CUSHION WITH REMOVABLE PAD

MODEL 6239

- Superior comfort for any chair, bench, car seat or wheelchair
- Coccyx pad detaches easily from unit for extra relief over pressure points
- 3" thick sculpted memory foam – will not flatten out with prolonged use
- Removable and machine washable cover

PILLOWS, CUSHIONS AND WEDGES

MEMORY FOAM CERVICAL PILLOW

MODELS: 6152 FULL SIZE | 6154 TRAVEL SIZE

- Ergonomically designed to support the head and neck correctly and to relieve pressure on neck muscles
- Helps prevent stiffness, alleviate soreness
- Made of viscoelastic memory foam, super soft and comfortable
- Comes with a removable, washable zippered ecru terry cloth cover

CARVED FOAM CERVICAL PILLOW

MODELS: 6155 FULL SIZE | 6156 TRAVEL SIZE

- Relieves neck pain for a better sleep
- Helps prevent stiffness, alleviate soreness
- Made of firm density foam for optimum support
- Comes with a removable, washable fabric cover

ROUND CERVICAL PILLOW

MODEL 6145

- Provides correct spinal alignment and a therapeutic sleep posture
- Can also be used under the lower back, knees or ankle
- Can be used at home or when traveling
- 18" (46 cm) long, 6" (15 cm) diameter
- Hypo-allergenic

FOLDABLE BED WEDGES

MODELS: 6167 - 8" | 6168 - 10" | 6169 - 12"

- Provides gradually sloping support for head, foot or leg elevation
- Helps alleviate respiratory symptoms and improves sleep
- Firm density foam
- Soft terry cloth cover – removable and washable
- Completely non-allergenic
- Folding design allows for easy storage
- Latex free

MEMORY FOAM KNEE PILLOW

MODEL 6150

- Promotes proper alignment the of spine when lying on the side
- Helps relieve discomfort and stiffness, aids in circulation and helps ease pain in the back, legs, hips and knees
- Made of viscoelastic memory foam, super soft and comfortable
- Adjustable hook and loop strap offers a custom fit and keeps pillow in place
- Removable soft cover zips off easily for machine washing

HIP ABDUCTION BLOCK WITH COVER

MODEL 6149

- Provides relief from discomfort and allows for a restful sleep
- Helps relieve discomfort and stiffness, aids in circulation and helps ease pain in the back, legs, hips and knees
- Specially designed foam block provides for proper alignment of the spine, hips and knees
- Adjustable encircling strap with hook-and-loop closure keeps block in proper position
- Removable and washable poly/cotton cover

PILLOWS, CUSHIONS AND WEDGES

LUMBAR ROLL

MODELS:

6251 - FULL SIZE | 6252 - HALF SIZE

- For sitting comfort and back support
- Firm density foam construction for maximum comfort and support
- Elastic strap holds cushion in place
- Removable, machine washable navy polyester/cotton cover
- Full size – 4.75" (12 cm) diameter
- Half size – 2.5" (6 cm) deep

SACRO CUSHION WITH REMOVABLE COVER

MODELS:

6243 - BLACK 6246 - NAVY

6244 - GREY 6247 - BURGUNDY

- Provides relief from discomfort and allows for a restful sleep
- Helps relieve discomfort and stiffness, aids in circulation and helps ease pain in the back, legs, hips and knees
- Specially designed foam block provides for proper alignment of the spine, hips and knees
- Adjustable encircling strap with hook-and-loop closure keeps block in proper position
- Removable and washable poly/cotton cover

MEMORY FOAM NECK CUSHION

MODEL 6151

- Helps prevent pain and stiffness in the neck and shoulders
- Helps maintain proper head and neck alignment
- Great for travel, including airplanes and long bus and car trips

REVERSIBLE TRAVEL CUSHION

MODEL 6236

- Converts from lumbar roll to neck cushion with a simple pull of a zipper
- Soft microbead fill

CONVOLUTED FOAM WHEELCHAIR CUSHION

MODEL 6221

- Convoluted foam disperses surface pressure for greater sitting comfort
- Promotes good posture, fights pressure sores

PILLOWS, CUSHIONS AND WEDGES

2" FOAM WHEELCHAIR CUSHION

MODEL 6227

- Designed to minimize the risk of pressure sores
- High density foam, 2" (5 cm) thick – compresses to 1" (2.5 cm)
- 16" x 18" (40.5 x 46 cm) – fits all standard adult wheelchairs
- Removable and washable cloth cover

GEL FOAM WHEELCHAIR CUSHION

MODEL 6226

- Combines the benefits and sitting comfort of both gel and foam cushions
- Unique wedging action leans user back in chair for correct sitting posture
- Wipes clean easily – fabric cover removable for washing
- Size 16" x 16" (40.5 x 40.5 cm)
- Anti-microbial

WHEELCHAIR CUSHION / MEMORY FOAM / REMOVABLE COVER

MODEL 6228

- Super soft memory foam disperses body weight evenly.
- 16" x 18" x 2" (41 x 46 x 5 cm), fits all standard adult wheelchairs.
- Removable and washable cloth cover.

PEDAL AND UPPER BODY EXERCISER

PEDAL EXERCISER

MODEL 6298

- For upper or lower body strengthening, improving coordination and circulation
- Adjustable tension control allows a broad range of pedal resistance
- Chrome steel frame, non-skid tips
- Straps keep feet in place while pedaling
- Compact, lightweight and very portable
- Four anti-slip rubber pads prevent sliding and protect surfaces
- Stores out of the way under a chair or bed
- Quick and easy assembly

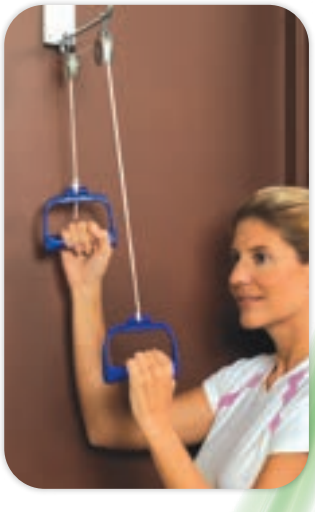

ARM AND UPPER BODY EXERCISER

MODEL 6299

- Used as part of a rehab program to help restore shoulder, arm and upper torso mobility
- Complete with: over-door bracket, pulley assembly, traction cord, 2 hand grips
- Easily installs over any door.

ADJUSTABLE CANES

STANDARD OFFSET HANDLE CANES

- Choice of durable, easy to clean vinyl or soft foam grip
- Fabricated using strong extruded aluminum tubing: 7/8" (2.2 cm) diameter shaft, 3/4" (1.9 cm) diameter leg extension with slip resistant rubber tip
- Wrist strap on selected models allows for use of both hands without cane falling away. Wrist strap also available on models 5585B-5 and 5585S-5 (not shown)
- One button height adjustment with locking silencer ring
- Handle height adjusts from 30" to 39" (76 - 99 cm)
- Replacement tip: 6105-B, 3/4" (1.9 cm) diameter black slip-resistant, metal-reinforced rubber cane tip.
- Weight capacity: 300 lbs.

- Replacement walker/commode tips
- Fits .75" (1.9 cm) walker/commde legs
- 4 per pack
- Available is black or gray

GLIDE TIPS FOR WALKER LEGS

MODEL 5104

- Tension release glide tip within rubber walker tip
- When used with front wheel attachments, glide tips allow walker to easily and quietly move across most surfaces
- When user's weight is fully applied, tip locks into stopped position.
- Sold in pairs

SKI GLIDE ATTACHMENTS FOR WALKER LEGS

MODEL 5106

- Fit on the rear legs of a standard walker and, with wheel attachments fitted onto the front legs, converts a standard walker to a wheeled walker

WHEEL ATTACHMENT KIT FOR WALKERS

MODEL 5109

- Attachments fit on the front legs of a standard walker, and with glide tips fitted into the rear legs, converts a standard walker to a wheeled walker
- Rubber wheels move smoothly over irregular surfaces
- Quick and easy to install
- Eight height adjustments

WALKER POUCH

MODEL 5164

- Large 10" x 15" (25.5 x 38 cm) pocket with smaller dual inner pockets.
- Blue denim fabric with hook and loop fastening
- Machine washable

WIRE BASKET FOR DUAL RELEASE WALKER

MODEL 5166

- Large 16" x 6" x 7" (40.5 x 15 x 18 cm) basket
- White vinyl coasted steel wire
- Molded plastic tray at bottom
- Fits models 5050, 5050W

ROLLATORS AND TRANSPORT CHAIRS

LIGHTWEIGHT TRANSPORT CHAIR

MODEL 6006

- Back folds down for easy transport and storage
- Total unit weighs less than twenty pounds (20 lbs.)
- Durable fabric upholstery, well padded
- Black aluminum frame
- 8" (20 cm) molded mag type wheels
- Comfortable padded armrests
- Swinging and detachable footrests
- Seat belt for safety
- Overall width: 22.5" (57.2 cm.)
- Product weight: 23 lbs. (9.98 kg.)
- Weight capacity: 300 lbs. (136 kg.)

ROLLATOR WITH CURVED BACKREST

MODEL 5311

- Adjustable height handles with comfortable molded handgrips
- Comfortably padded seat, folds for easy transport and storage
- Curved backrest is removable, swings away to allow complete access to nylon storage pouch
- Nylon storage pouch immediately beneath seat; can stay in position when unit is folded
- Smooth rolling 8" (20.3 cm) wheels suitable for all terrains
- Overall width: 22.5" (57.2 cm.)
- Product weight: 17 lbs. (7.7 kg.)
- Weight capacity: 300 lbs. (136 kg.)

ROLLATOR WITH CURVED BACKREST

MODEL 5313

- Easy to operate ergonomic hand brakes lock rear wheels for security
- Truly effortless folding mechanism
- Large 8" (20 cm.) pneumatic wheels for smoother rolling operation
- Curved backrest for more comfort when sitting
- Comfortably padded seat
- Basket can be positioned either under or in front of seat
- Adjustable handle height for custom fit
- 17" (43 cm) between hand grips.
- Product weight 19 lbs. (8.6 kg.)
- Weight capacity: 300 lbs. (136 kg.)

LIGHTWEIGHT ROLLATOR

MODEL 5305

- Adjustable height handles with molded handgrips; adjust in height from 30" – 36" (76 - 91.5 cm)
- Loop-type locking cable brakes operate on rear wheels; specially angled for those with dexterity issues
- Smooth rolling 8" (20 cm) wheels suitable for all terrains
- Rugged, high-impact plastic seat, 16" x 10" (40 x 25 cm), folds for easy transport and storage
- Curved backrest is easily adjustable
- Removable nylon and mesh carrying bag immediately beneath seat; can stay in position when unit is folded
- Overall width: 23" (58 cm.)
- Product weight: 22 lbs. (10 kg.)
- Weight capacity: 300 lbs. (136 kg.)

PCP's planogram layouts make it easier for you to merchandise, for your staff to sell from, and for your more self-service clients to shop. Modular planogram components enable you to grow your business gradually, purchasing at your own pace, and getting the most return for your investment. Choose between starter and intermediate assortments depending on your business' particular needs and focus.
