# product selection guide

# Confidence to go back in the water again

Disposable swimwear is worn under a swimsuit to contain bowel incontinence.

TRANQUILITY® swimmates®

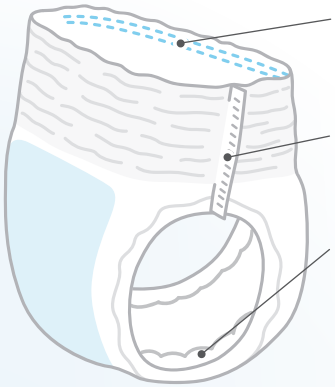

## KEEPS THE POOL CLEAN

Unlike standard diaper products, they will not swell or break apart, to keep the pool and swimsuit clean.

## STOOL LEAKAGE CONTROL

Kufguards® (inner leg cuffs) and leg elastics channel bowel movements into the target containment zones, securing stool from leaks, to maintain your confidence.

Blue elastic waistband indicates back of swimwear

Tear-away side seams for easy removal and disposal

Kufguards® (inner leg cuffs) and moisture-proof barrier help contain bowel incontinence
