11. APPENDIX

Lower Leg Length Matrix

2" & 4" extensions for front mount hangers shipped separate, not mounted. Front seat height must be at least 2" taller than lower leg length on all swing in/out hangers. Front seat height must be at least 2" taller than maximum lower leg length on all front mount hangers. All values shown apply to Standard frame style, subtract 1.5" to get Hemi equivalent. More than 2" will require on field adjustment.
